COUNTER CRIME PARTNERSHIP (CCP)

CCP is a communication network for retailers, entertainment venues and organisations, aiming to build local working relationships and link communities.

Every Town Centre or Retail Park has its own channel. All channels are monitored simultaneously by a Dispatcher who can relay information between groups, transfer users to 999 or merge channels in the event of a major incident.

Our Control Room also supports members by helping to managing an **EXCLUSION ZONE** that is compliant with all of the latest data protection regulations.

COMMUNITY SAFETY PARTNERSHIPS (CSP)

The Crime Disorder Act 1998 called for responsible authorities to work together to protect their communities from crime. CCP will engage with your local CSP Problem Solving Group giving CCP members a gateway to these agencies.

PUSH TO TALK OVER CELLULAR (POC)

Our radios utilise the world's existing infrastructure of cellular and wifi networks so have a virtually limitless range.

BODY-CAMS & LIVE VIDEO STREAMING

The body-worn cameras can work independently or with an Evidence Management Docking Station for multiple cameras. Video streaming to a manager's office or central Control Room is also possible.

SENTRYSYS

CCP members access the SentrySIS UK counter-crime database securely using the TE 590 handset or from any PC to add/view real-time local alerts, bar persistent offenders from the **EXCLUSION ZONE** and submit MG11 Witness Statements to the Police including CCTV uploads. Other features include:

- Face Recognition
- ID's Required
- Vehicles Associated With Crime
- Crime Map
- Time of Day Statistics
- Police Briefings

FREE MEMBERSHIP

The businesses that make up our high streets are a major part of our districts identity and we want to help protect them. These businesses are run by families and employ our friends so supporting them is a core element of our mission.

...This is why we welcome all businesses to join and become a member of our **EXCLUSION ZONE** completely FREE of charge.

What does this mean?

If you are a free member of the CCP **EXCLUSION ZONE** you will receive monthly email updates informing you of Offenders who are bared from other premises, protecting your business from potential crime.

Counter Crime Partnership is a trading style of Tendring Security Limited. Tendring Security is an authorised dealer for Push To Talk International and a strategic partner of Sentrysis. We are registered in the United Kingdom at Companies House under reference 11538334 at 61 Frinton Road, Holland-on-Sea, Essex CO15 5UH. Working together to keep our community safe...
